If during the course of the said joint inspection, the Project Company is of the opinion that there is any item of Works or Section, which does not comply with the Contract in any respect and that the same should be made good, remedied or reconstructed before the application of the Taking-Over Certificate, then the Project Manager shall instruct in writing to the Contractor to make good, remedy or reconstruct the same to the satisfaction of the Project Manager and the Contractor's full compliance therewith shall immediately operate as a condition precedent to the application of the Taking-Over Certificate unless the Project Manager expressly agrees to accept (but shall not be bound to) any of the items of Works or Section, specified in the said instructions without their being made good, remedied or reconstructed by the Contractor in such event the Contract Price shall be reduced by any loss of value or otherwise suffered by the Project Company, or by any saving in cost to the Contractor in carrying out the same, whichever is greater.

10 PROJECT COMPANY'S TAKING OVER

10.1 TAKING OVER OF THE WORKS AND SECTIONS

Except as stated in Sub-Clause 9.4 [Failure to Pass Tests on Completion], the Works shall be taken over by the Project Company when (i) the Works have been completed in all respects including the completion of all the snag list/items identified after Contractor calls for inspection of complete project in accordance with the Contract, including the matters described in Sub-Clause 8.2 [Time for Completion] and except as allowed in sub-paragraph (a) below, and (ii) a Taking-Over Certificate/Completion Certificate for the Works has been issued, or is deemed to have been issued in accordance with this Sub-Clause.

The Contractor may apply by notice to the Project Manager for a Taking-Over Certificate not earlier than 14 days before the Works will, in the Contractor's and Project Manager's opinion, be complete and ready for taking over. Provided that, without prejudice to the Project Manager's power under Sub-Clause 10.2, if any outstanding works are, in the opinion of the Project Manager, minor works such that:

- (a) they can be completed following the removal of the Contractor's site organisation and major plant or equipment works; and
- (b) there would not be unreasonable disturbance of the Project Company's full enjoyment and occupation of the property,

However, if the Project Company does use any part of the Works before the Taking-Over Certificate is issued:

- (a) The Part which is used shall be deemed to have been taken over as from the date on which it is used,
- (b) The Contractor shall cease to be liable for the care of such part as from this date, when responsibility shall pass to the Project Company, and
- (c) If requested by the Contractor, the Project Manager shall issue a Taking-Over certificate for this part.

The Contractor shall carry out these Tests on Completion as soon as practicable before the expiry date of the relevant Defects Liability Period.

If the Contractor incurs cost as a result of the Project Company taking over and/or using a part of the Works, other than such use as is specified in the contract or agreed by the Contractor, the Contractor shall (i) give notice to the Project Manager and (ii) be entitled subject to Sub-Clause 20.1 [Contractor's Claims] to payment of any such Cost, which shall be included in the Contract Price. After receiving this notice, the Project Manager shall proceed in accordance with Sub-Clause 3.5 [Determinations] to agree or determine this Cost.

10.3 INTERFERENCE WITH TESTS ON COMPLETION

If the Contractor is prevented, for more than 14 days, from carrying out the Tests on Completion by a cause for which the Project Company shall be deemed to have taken over the works or Section (as the case may be) on the date when the Tests on Completion would otherwise have been completed.

The Project Manager shall then issue a Taking-Over Certificate accordingly, and the Contractor shall carry out the Tests on Completion as soon as practicable, before the expiry date of the Defects Liability Period. The Project Manager shall require the Tests on Completion to be carried out by giving 14 days' notice and in accordance with the relevant provisions of the Contract.

Company shall be discharged from all liability in connection with the claim. Otherwise, the following provisions of this Sub-Clause shall apply.
